## Key Accomplishments for the time period

Earlier this year the committee identified two potential issues that Wildwood may need to address this year:

- 1) Replace the small John Deer tractor that is 22 years old.
- 2) Improve the Salt/Sand storage to meet Massachusetts guidelines

Additionally the roof on the maintenance shop needs to be replaced next year.

## Focus for the Upcoming time period

Replacement tractor specifications will be nailed down.

Narrow down the options for covering the salt/sand pile.

Secure bids for the shop roof replacement.

## Issues or Challenges

The Committee has been unable to secure a quorum at numerous Zoom meetings.
