Key Accomplishments for the time period

As tasked by the Board, we have obtained prices to add 2 front gates in 2025 which will enhance the security in Wildwood. Security has become more of a concern since break-ins in 2023.

We have also been working on obtaining quotes for our camera system in the Clubhouse.

We currently have an AED unit for the Clubhouse & Lakeside Beach. One has been purchased to add to Meadow Beach this year. Our goal is to have one at each beach by 2026.

Focus for the Upcoming time period

There is a need to rope off the swim areas at certain beaches to designate the actual swim area. This is a safety concern based on reports about watercraft frequently going through swim areas. We have asked for this to be included in the 2025 budget.
